Thanks very much, Marianne! Looks good. Will we share the draft with the entire group once the NSC review is finalized?

Thanks again,
Maya

Thanks very much Maya. I have copied Kate on this version for circulation to NSC, and encourage Megan to use this version in discussions with WHO. We have done a little additional cleaning up of comment bubbles and the co-benefit paragraph where the multiple edits made it hard to read. This version still captures all the agencies' comments. Of course, let us know if we missed anything. I'll be in the office all day tomorrow.

Thanks very much everyone,

Marianne

Hi Marianne,

Please see attached - **Ex. 5 Deliberative Process (DP)**

Ex. 5 Deliberative Process (DP)

Are you going to send this version to Kate so she can run the NSC review?

I'm adding Megan for her awareness.

Thanks,
Maya
